

Causes of the French Revolution

4. Ongoing Financial Crisis

ANMasiveDent

■ Huge war debt left over from Louis XIV

■ Inability to live the tax situation

Two failed attempts:

- Turgot tried to tax all three Estates
(ideas were shut down by the
Parlements & the “Flour War”)

■ Necker strategy of borrowing money

□ Interest alone on the debt was more than 50% of France's income

Le DEFECT

Causes of the French Revolution

4. Ongoing Financial Crisis

A. Massive Debt

- Huge war debt left over from Louis XIV
- Inability to solve the tax situation

Two failed attempts:

- Turgot tried to tax all three Estates (ideas were shut down by the Parlements & the “Flour War”)
- Necker strategy of borrowing money
 - Interest alone on the debt was more than 50% of France’s income

Causes of the French Revolution

4. Ongoing Financial Crisis (continued)
