

---

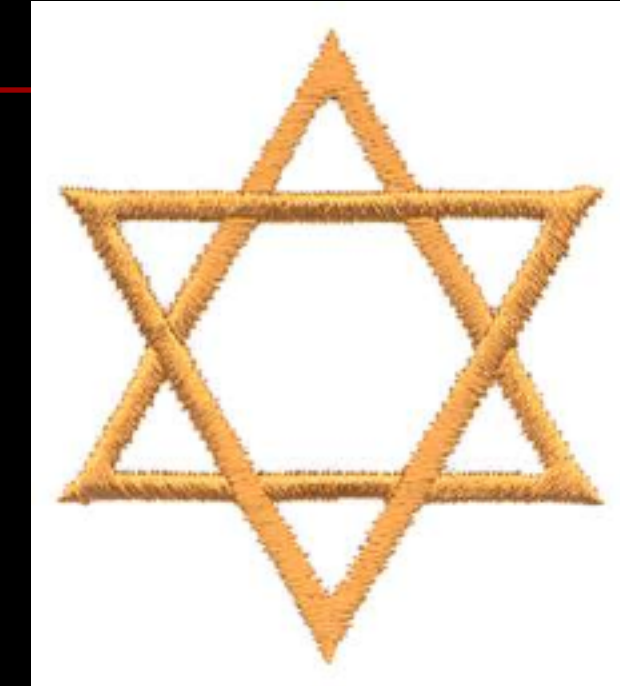

# The Jewish NATION

- Members of a nation recognize a common identity
  - **Do not necessarily reside within a common geographical area.**
  - For example, the Jewish nation refers to the Jewish culture and faith throughout the world, regardless of their place of origin
  - **The Jewish nation is an example of an ethnic nation.**

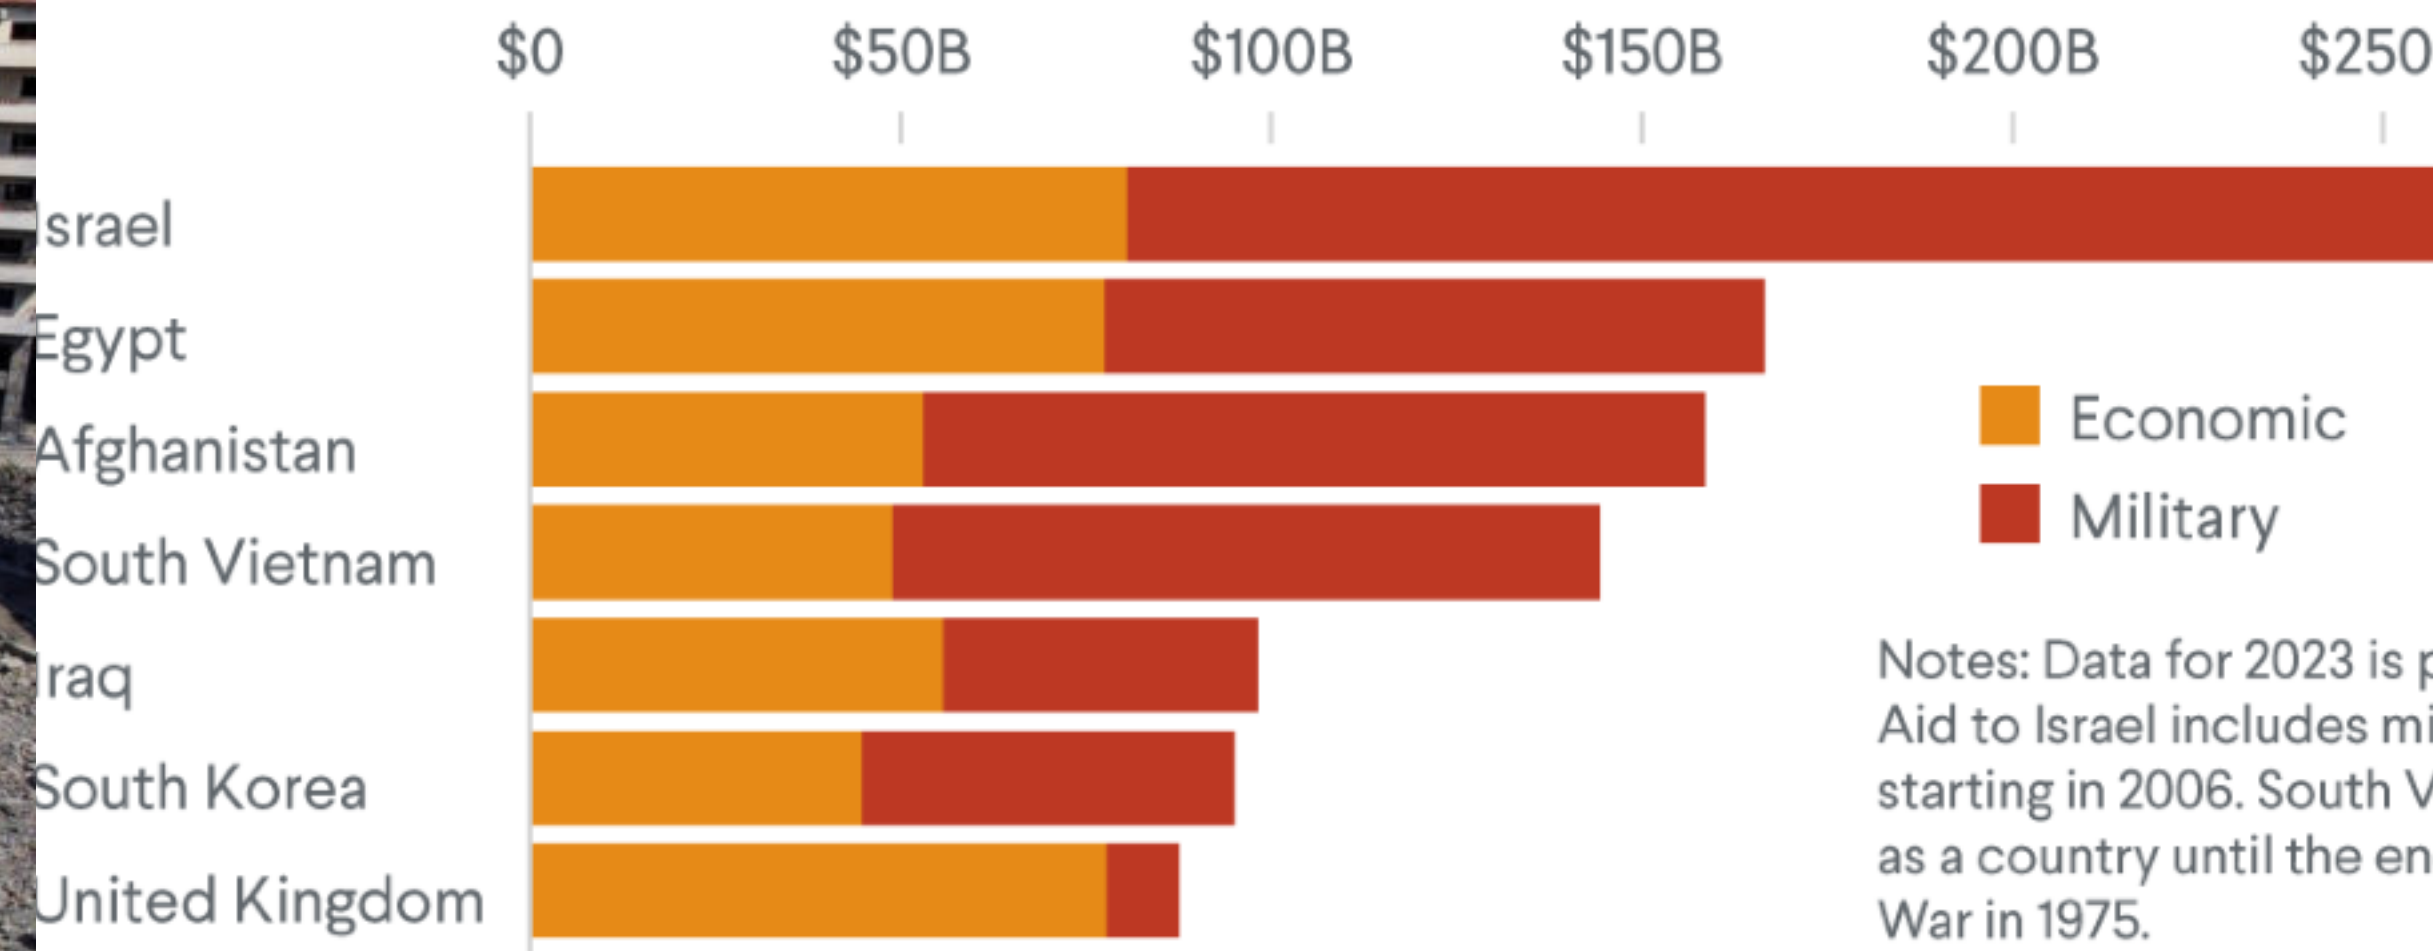

# Israel Is the Largest Cumulative Recipient of U.S. Aid

Total aid from 1946 to 2023, by fiscal year (constant 2022 dollars)

Notes: Data for 2023 is preliminary. Aid to Israel includes military aid starting in 2006. South Vietnam was a country until the end of the Vietnam War in 1975.
