

2 — Historic Globalization (also called “Historic Imperialism”)

- **First Phase: Early Imperialism or The Age of Exploration (1492 – the ~1800's)**

• **3 G's - (Gold (or Greed), God, and Glory)**

15thC - Renaissance - explore

- 16th C - 18th C – Mercantilism: establish exclusive trading ties between colonies and mother country)

- ex: Columbus, Cabot, Cortez, Cartier,
Champlain, Cook, etc

2 – Historic Globalization (also called “Historic Imperialism”)

- **First Phase: Early Imperialism or The Age of Exploration (1492 – the ~1800's)**
- **3 G's - (*Gold (or Greed), God, and Glory*)**
 - 15th C - Renaissance – explore
 - 16th C -18th C – Mercantilism: establish exclusive trading ties between colonies and mother country)
 - ex: Columbus, Cabot, Cortez, Cartier, Champlain, Cook, etc

2 – Historic Globalization (First Phase: 1492 – the 1800's)

- **Absolutism** – “Divine Right” Kings and Queens had full authority.
- 15th C: Spain, Portugal, France, England searched globe for attractive business ventures.
- Began building colonies, colonized areas under control of powerful trading companies
 - Hudson’s Bay Company
 - India Trading Company

Colonies provide resources to increase the wealth of the Monarchy of that nation
