

Step 1: Blame

- Reason Germany lost WW1
- Were behind the Treaty of Versailles
- They profited off of the Great Depression

The Eternal Jew

"His is no master people; he is an exploiter: the Jews are a people of robbers. He has never founded any civilisation, though he has destroyed civilisations by the hundred...everything he has stolen. Foreign people, foreign workmen build him his temples, it is foreigners who create and work for him, it is foreigners who shed their blood for him."
