

PERSPECTIVES ACTIVITY

For each of the following statements:

What are two key ideas represented in the statement?

What view does the statement provide on globalization?

Is there a bias? If yes, what is it?

Do you agree or disagree, why?

PERSPECTIVES

“It doesn't matter how far apart we might be geographically, economically or culturally, we're all held tightly together as members of the human race in an all-embracing web.”

Is it positive, negative or neutral? An example to prove them right?

Do you agree?
