

COLLECTIVE RIGHTS

- Rights and privileges given to a small collective and not the entire society.
- Argued they are necessary for minority groups to be equal to majority.
- But... if we're all equal in a *liberal* society, doesn't this violate the principle of equality?

Which characteristic of political systems is/are important to authoritarian systems?

Controlled Participation	Direction of Popular Discontent
Demonstrations	Rule of Law
Independent Courts	Secret Police
Indoctrination	Responsible Government
