

The United Nations

 To keep peace among
nations

* To develop good relationships between countries around the world

 To promote human rights,
basic freedoms and justice
for all

**Reduce global inequalities*

How are they
doing?

The United Nations

- * To keep peace among nations
- * To develop good relationships between countries around the world
- * To promote human rights, basic freedoms and justice for all
- * Reduce global inequalities

How are they doing?

How does the UN do UN things?
