June 6, 1944, After D-day Allies start push Axis Powers back

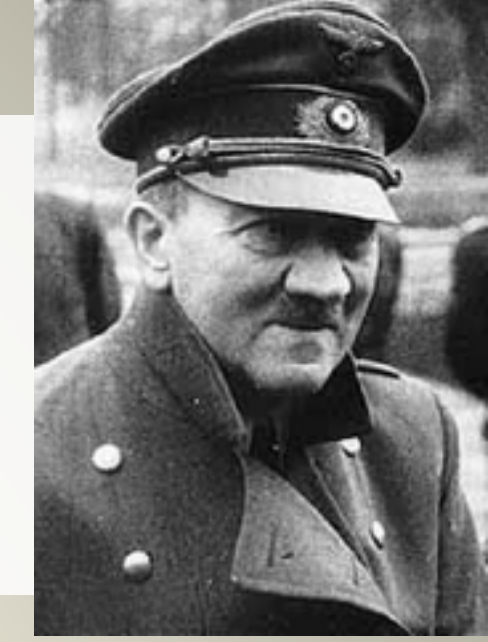

Round the clock bombings decimate the German Air Force

Battle of the Bulge in the winter of 44-45 slows the advance but only temporarily

Race for Berlin begins

The End for Hitler

Admits defeat and believes that those around him are conspiring to gain power

With the Chancellery surrounded, Hitler marries Eva Braun

Hears news of Mussolini's death and the treatment of his body

Agrees to a “breakout” but then commits suicide with his wife of 40 hrs
Bodies were then burned (repeatedly)

April – Death of leaders: 12th Roosevelt, 28th Mussolini (assassinated by
Italians), 30th (or May 1st) Hitler (suicide).
