

- Allies drove Axis air and naval forces from the island back to the mainland
- Sea lanes were opened and Mussolini's government collapsed
- Approximately 29 000 Axis casualties and 140 000 captured

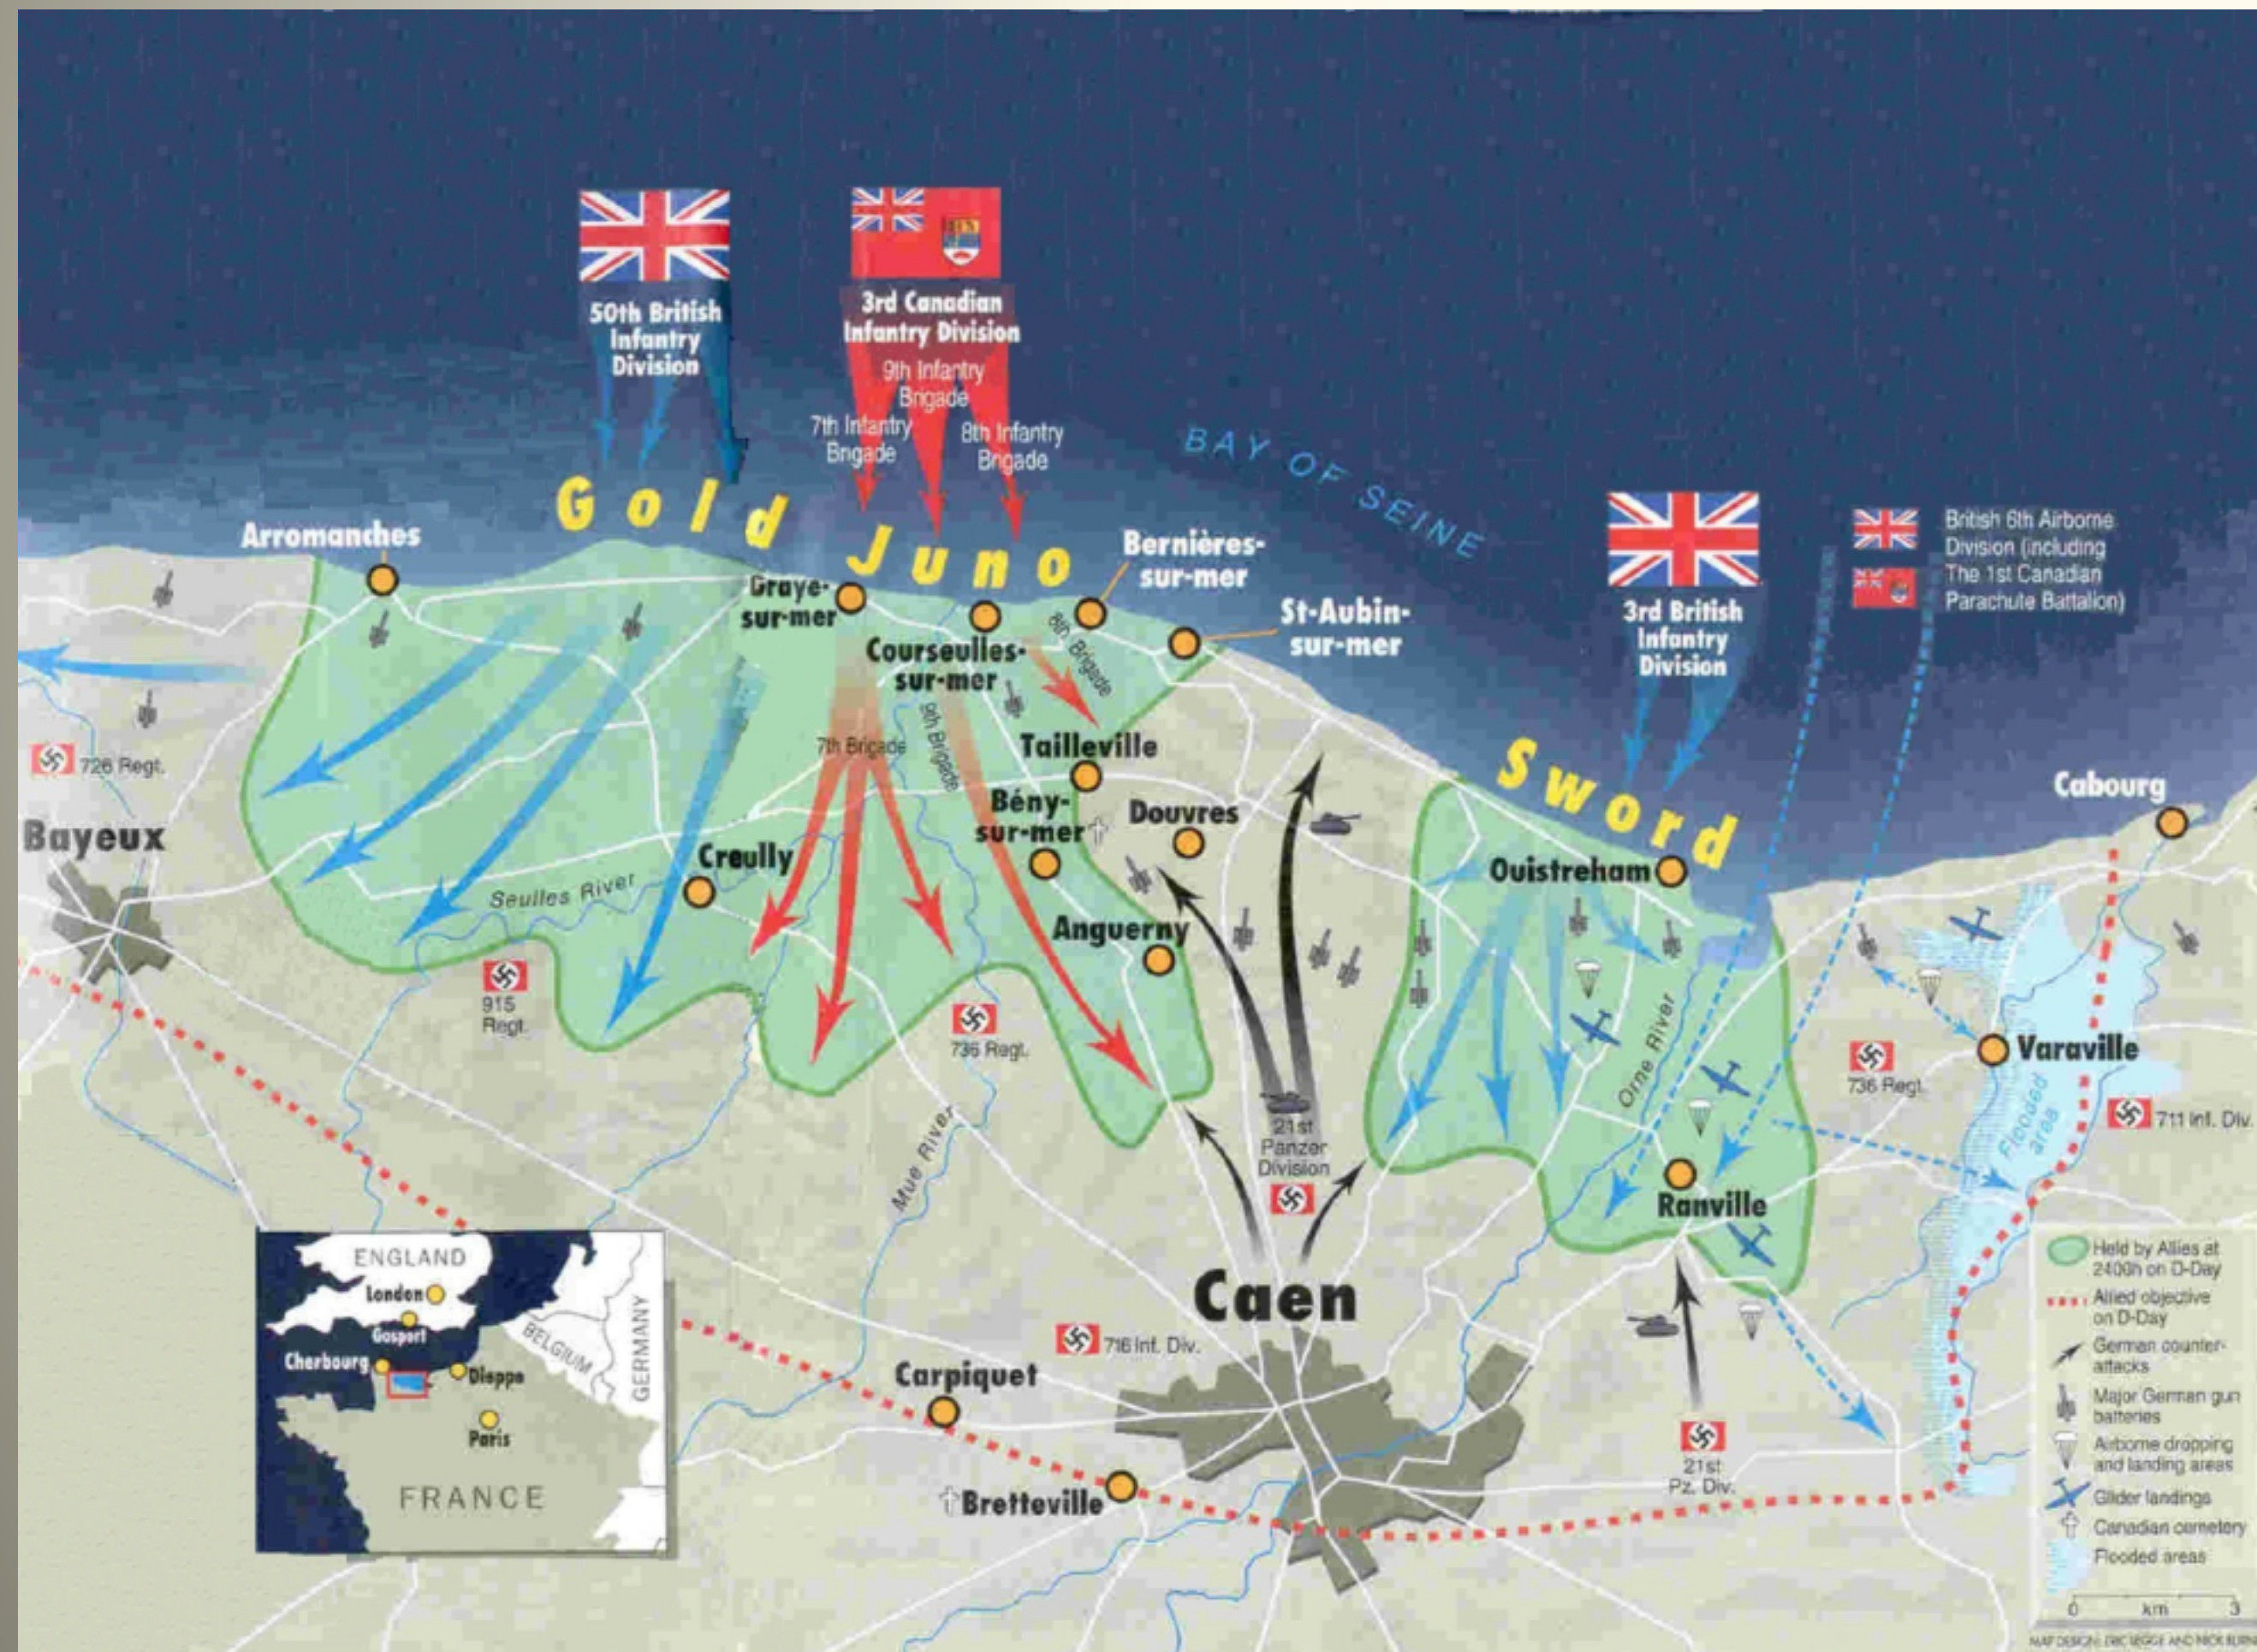

D-Day

June 6, 1944

Operation Overlord

D-Day is a military term used to denote the day on which a combat will take place

Events:

-Bombing raids during the weeks prior were intended to take out major cannons, bridges, and machine gun bunkers (not effective on all beaches)

-Parachuters dropped the night before

-The Normandy Campaign began with the storming of the beaches on June 6, 1944

-This was the beginning of the end for Adolf Hitler and Nazi Germany
