THIS IS JUST A DEMO-CRACY

➤ What do you think the down sides of democracy are?

➤ Tyranny of the Majority

- Is 50% + 1 actually a majority?

- Decisions are slow

- Elite has more access to the government

- Create apathy in voters (around 66% for the last 3 federal)

39.04%

Total voters - 349,815*

Total enumerated electors - 896,042**

*Estimated, as of Oct. 24, 2025. Revisions may occur following post-election review of voter registration information, including amendments to the City of Calgary Permanent Electors Register.

**Reference: City of Calgary Permanent Electors Register (data downloaded from the Elections Alberta elector dataset on Sept. 16, 2025).

RIDINGS ARE STABLE

- Geographic area that is represented is called a **riding**
- People who live inside a riding are called *constituents*
- If you win the election you're allowed to sit in the House of Commons... Therefore *ridings = seats*
