

The Perfect “Position Paragraph”

- Statement
- Why do you believe that statement?
- What evidence are you using to prove the statement?
- Link back to HOW the evidence proves your statement.
- What might someone who disagrees say about the statement?
- Evidence for them.
- Prove them wrong.

More like Me-CAN'T-ilism

- Adam Smith (again)
- Let the invisible hand guide the market
- But wait... what is the market and WTF is an invisible hand???
