

Ok so... Concept Check

- 1. Describe to someone why gas is ~\$1.40 right now
 - Bonus: List all the reasons why Canadian oil would be more expensive than Saudi oil
- 2. What is capitalism really good at?
 - Bonus: Describe any product you own using capitalism
- 3. In what ways does the government “interfere” with the free-market?
 - Bonus: Are there areas of the market that a government SHOULD interfere?

In the Mind of Smith
