

MORE BUYING!

- When people buy more, what happens to prices?
- If you give people money (social programs/COVID/jobs) what happens to prices?
- If you can't supply enough (COVID/War/Drought/Fire/Environment) what happens to prices?

I'LL HAVE A SIDE OF DEMAND

- John Maynard Keynes believed that governments should encourage spending instead of saving.
- Why would this be called “Demand Side Economics?”
- What was “FDR’s” New Deal?
(Interventionism)
 - Infrastructure Projects & Social Programs
 - Agencies! (Increased regulations)
