

What's the real definition?

- **Your Ideology** is your interpretation of human nature, the environment, society, and the role of beliefs and values.
- An *ism* is a belief, attitude, style, etc., in the word that comes before it. I.e. Patriotism is the belief in being a patriot.

Examples of Ideologies

- I tried to paste the list from wikipedia but it broke my computer. Instead let's just click [here](#).
