

How to be a Dictator

Required elements:

BECOMING A DICTATOR

- If you want to be a dictator what personality characteristics do you need? (at least 4)
- What has to happen in order for you to be accepted by the people? (at least 2)
- What type of friends/supporters do you need?
- What methods do you need to use in order to gain power? (at least 2)
- Anything else that's needed? (be creative!)

STAYING A DICTATOR

- What methods/tactics should you use to remain in power? (at least 3)
- Who should you blame when things go wrong? (don't pick an ethnic group, be general)
- How should you run the economy?
- How should you ensure your country is recognized as great by others?
- What should you avoid? (at least 3 things)
- Anything else that's needed? (be creative!)

LOOKING UP TO A DICTATOR (WORTH THE MOST MARKS!)

- Based on your instructions, which dictator should you aspire to be?
 - Be specific. I.e. "Stalin's use of the NKVD was the perfect example of how to effectively use secret police!"

All Ig Gark E!

- ❖ **Oligarchy** - Power is in the hands of a small group (or class), representing the one political party allowed in the system. State policies are guided by a founding doctrine. Opposition to the government is severely controlled.
