

NON-ALIGNMENT MOVEMENT

Nations like India don't want to move from British control to be under a super-power sphere of influence

1955 Bandung Conference – **non-alignment**

“If we have to stand alone, we will...We do not agree with the communist teachings, we do not agree with the anti-communist teachings, because they are both based on wrong principles” (Nehru)

YUGOSLAVIA

Josip Broz Tito
— doesn't need
Stalin's help

can be a communist state without being
part of Communist Bloc

can trade and communicate with the West
