

War with Austria

April 1792 - 1797

■ The Girondins supported the war with
Austria

 Robespierre was against going to war

■ Great Powers of Europe were afraid the
Revolution would spread

— Countries allied against France: Austria,
England, Prussia, Spain, Savoy, Holland

War with Austria

April 1792 - 1797

- The Girondins supported the war with Austria
- Robespierre was against going to war
- Great Powers of Europe were afraid the Revolution would spread
 - Countries allied against France: Austria, England, Prussia, Spain, Savoy, Holland

War with Austria

It's complicated, but why do you think France won?
