

THE ANSWER TO SMITH'S ANSWER

► During the 1700 & 1800s the invisible hand was left to run the economy.

► Why would there be more pollution, slums, employee abuse, long working hours, child labour and unjust firing practices during this time?

➤ What action could a worker take?

THE ANSWER TO SMITH'S ANSWER

- During the 1700 & 1800s the invisible hand was left to run the economy.
- Why would there be more pollution, slums, employee abuse, long working hours, child labour and unjust firing practices during this time?
- What action could a worker take?
