

STUDY SOME CASES

► Sentencing circles involve aboriginal offenders (mostly youth and not homicide or sexual assault)

► Voluntarily sit with elders, community leaders, family
and victims

► Why would this be an option in a first nation community?

Sentencing circles are a form of “restorative justice”

what could that term mean?

STUDY SOME CASES

- Sentencing circles involve aboriginal offenders (mostly youth and not homicide or sexual assault)
- Voluntarily sit with elders, community leaders, family and victims
- Why would this be an option in a first nation community?

Sentencing circles are a form of “restorative justice”

what could that term mean?

-
- How does North Korea use the principles of collectivism to control its people?
