

1943 - Invasion of Sicily

- July 9th – August 17th 1943
- Allied forces: US, Britain, Canada
- Axis forces: Germany, Italy
- Goal: To remove Axis naval and air forces from Sicily, allowing free passage to Allied ships in the Mediterranean Sea and to put pressure on Mussolini's regime

- Allies drove Axis air and naval forces from the island back to the mainland
- Sea lanes were opened and Mussolini's government collapsed
- Approximately 29 000 Axis casualties and 140 000 captured
