

The German Failure

- 1.1 million Axis troops were overrun by 2.5 million Soviet Troops

- Adolf Hitler ordered that the army stay in Stalingrad and make no attempt to break out;

- The end of the Invasion of Russia
but Hitler had more troops.

• Why didn't he send them?

**850K casualties and 100K
captured Axis (only 6000
survived captivity and
returned home by 1955)**

**1.15 million casualties on the
Soviet side.**
